Flexible Metallic Badge Reference Image Upload Template

How to use this template

Step 1:

Print this form and place it on a clean flat surface.

Step 2:

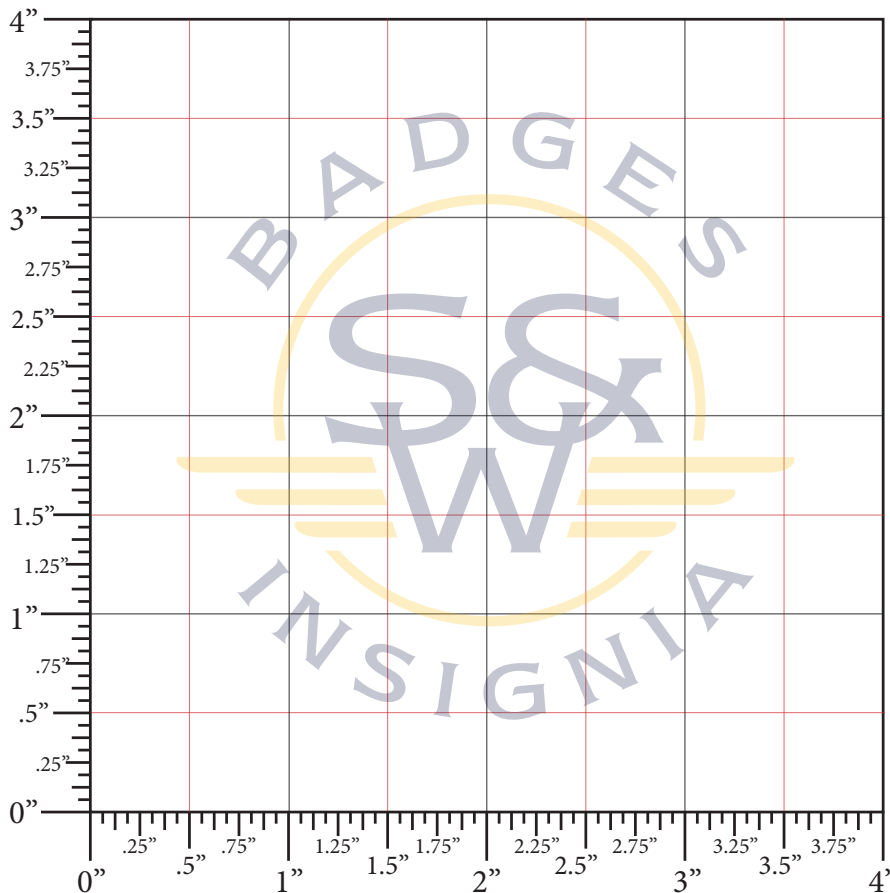

Place your duty badge face up on the measurement grid below. Align the bottom and left side of your duty badge to the bottom and left side lines of the measurement grid.

Step 3:

Take a straight on photo of your badge. Be sure to capture the badge and the entire measurement grid. Your photo should look like the example below.

Step 4:

Upload the image and submit your quote request at smithwarren.com
